### **SE Solutions Awarded BAE Systems' Small Contractor of the Year**

RESTON, VA--(June 18, 2010) - Strategic Enterprise Solutions, Inc. (SE Solutions), a strategic solutions firm that provides management consulting and technology services to government organizations, announced today that it has received the BAE Systems Small Contractor of the Year Award. The award recognizes outstanding small firms who have demonstrated excellence in performing work under subcontract.

This year, SE Solutions was lauded for its work as a subcontractor on BAE's FEMA Program Management Support Initiative (PMSI) contract. The work covers many facets of FEMA Program Management including the Business Management Office to establish standards and operating procedures as well as Project Management Offices, including Environmental, Grants Management, Financial, Human Resources, Security and Quality Assurance. "The base year was highly successful and SE Solutions was the critical element of that success through their strong staffing and leadership support", stated BAE PMSI Program Manager, Shawn McCoy. "They have been vital to the contract's successful execution", he added.

SE Solutions' CEO, John Rothenberger, accepted the Small Contractor of the Year Award from BAE Systems.
